

## **Creating Bookmarks for Your Favorite Web Sites**

Quickly access your favorite web sites by setting up bookmarks in your web browser

### **To set up a Bookmark in Netscape Navigator:**

1. Open Netscape Navigator
2. Type in the web address and press the Enter key (or browse to the site)
3. Go to the Communicator menu and choose Bookmarks
4. Bookmarks gives you some choices:
  - Add a Bookmark
  - File a Bookmark
  - Edit a Bookmark
5. Choose Add a Bookmark to add the web site to your list of book marked sites
6. When you want to view a web site that has already been book marked, simply click on the Communicator menu / Bookmarks and scroll until you find the web site, then click on the name!
