

GRDS – Grade Distribution Report

This report shows the percentage of A's, B's, C's, D's, F's, etc. awarded to students in one or more sections. For each section, it also lists a GPA for the overall class.

Can be printed for a particular section, all sections of a course, all sections taught by a specific instructor, or all sections across a program, department, or the whole college.

Printing tips:

GRDS-Grade Distribution Report

Enter CU here → Grade Scheme **CU** Curriculum

Grades 1 A 2 B

For grade type, select "Verified" → Grade Type **V Verified Grade**
